Allan Hirsh, executive leadership advisor and host of “AHA Business Radio”, has partnered with MCN to introduce and guide you through the beneficial practice of participating in an executive forum. Allan is an experienced business owner, CEO, entrepreneur, and a community leader with a passion for strengthening and growing organizations and developing leaders.

He created Allan Hirsh Advisors with a mission to help business owners/CEOs become better leaders, better decision-makers, and achieve profitable growth for their businesses.

Together, Allan and MCN are offering this opportunity to discover how the Forum can benefit you and the leaders of other construction companies. If you opt to formally join a MCN Executive Forum, you will attend monthly meetings with non-competing construction leaders in confidential, problem-solving sessions.
