 Environmental Consulting
 & MCN Present

“How Changing Water Regulations (Still) Continue to Affect Your Project at the Site Level”

Tuesday, November 19th, 2019 ~ 11:30 a.m. – 2:00 p.m.
 Barrett’s Grill

118 Shawan Road – Suite DD | Hunt Valley, MD 21030

Early Registration Pricing - \$35 ~ MCN Members | \$50 ~ Non Members

Maryland Construction Network is pleased to have Andrew T. Der C.E.P., Principal and Environmental Consultant of Andrew T. Der & Associates as our speaker for this event!

Did you miss the last event? Do you work near *any* water within Maryland? **Local compliance is no longer sufficient!** Learn *how politics* may change the basics of compliant best management and forest conservation practices on the ground; along with stormwater management and the waters, *including wetlands*, permitting process.

- Does Maryland regulate waters differently? If so, how?
- Do you know what basic water resource criteria can affect site development?
- Do you know the Clean Water Act can regulate *even minor construction activities*?
- Waters of the U. S.? Erosion? Sediment Control? Stormwater Management? A Stormwater Pollution Prevention Plan? **What in the world... and; why should I care?**

____ Attendees @ \$35 member price. ____ Attendees @ \$50 non member price. Total Fees = \$ _____

Reservations made after November 15th are subject to availability and are \$45 for members and \$60 for non members.
