## Topics Discussed:

- In the last podcast we talked about external support for business owners, and this week you want to talk about how internal relationships in the business can support a business owner. Can you tell us more about that?
- How do you define the right structure for an organization?
- Can you give us some examples of Visionaries and Integrators?
- What are the benefits of a Visionary, Integrator relationship?
- How can a Visionary business owner find a great integrator?
- Are there any other resources you can recommend?
